

# Saint Emilion Grand Cru

*One day discovering wine and history*

Saint-Emilion is the oldest wine area of the Bordeaux region. The medieval city, the vineyard and the landscape are listed by the UNESCO as World Heritage. Just a handful of wonderful highlights are honoured by such a distinction. Visit, stay and taste this unique spot, which is as much a village as an extraordinary nectar.

## Activities

During this day you could visit & taste in three different Chateaux.

Guided tours with a specialist (or some times the owner-winemaker) in Châteaux Grand Cru, will make you discover terroir, appellation, vat room, ageing cellar and all the winemaking process from the grape to the glass. A commented wine tasting of different vintages will close the visits.
