

Saint Emilion Wine Lovers

Share one day excursion with other wine lovers

You are not interested in a private car & driver, you are ready to share with others wine lovers coming from all over the world (7 passengers maximum). This tour is made for you !

The St Emilion medieval city, the vineyard and the landscape are listed by the UNESCO as World Heritage. Visit and taste during one day excursion in one of the world's most famous vineyard.

Activities

Start at "Planete Bordeaux" with an educative journey involving all the senses. Visitors are discovering all the secrets surrounding the creation and life of wine through spectacular modern audiovisual and scenographic techniques.

In the afternoon, you could visit & taste in two different Chateaux (winery). A commented wine tasting of different vintages will close the visits.
